

CPUFC has been formed to provide opportunities for participants in an **inclusive** environment, across the NW region.

Anyone who has Cerebral Palsy/acquired brain injury and wants to play football is more than **welcome** to come along and be a part of our club. Training sessions & fixtures are available to **All** regardless of age, ability, experience, gender, mobility or CP classification. Whether you play within the National talent program, play within a PAN disability team, play at school or don't play at all, please come along and enjoy your football in a positive learning environment.

Training sessions are run by FA & UEFA qualified coaches and are specifically designed for players with CP, working on fundamental movement skills during each session.

Our long term aim is to support players and help them to become **the best they can be** both on and off the pitch.

Disability Football **Cerebral Palsy United Football Club** Come and join our Football club!!!
